Dear Mrs. Phillips,

We are pleased to present our estimate to remove and replace your wooden perimeter fence. We estimate it will take our crew 7 to 10 days to complete the work.

Lump Sum Total	\$17,923.25
Deposit	<u>\$ 8900.00</u>

Due on Completion \$ 9023.25

Our scope of work will consist of removal and disposal of existing wooden fence and replacing it with approx 820LF of 6FT wooden board on board fence. Each section between the existing columns will have 2 post (4X4) for additional structural strength and 60 lbs of concrete foundation on each post. The 2x4 horizontal rails will be attached into the existing column by threaded masonry concrete fasteners. We provide a one year warranty on workmanship and material deficiencies for work described above. Warranty does not cover severe weather (i.e tropical storms and hurricanes), acts of God, or acts outside of our control.

If you have any questions or concerns please feel free to contact us.

Thank you for this opportunity,

Brandi Patterson
